DRAUDZES "SOCIAL & RACIAL JUSTICE COMMITTEE" JŪS AICINA ATBALSTĪT BAZNĪCAS RAJONA ĢIMENI

Kopš COVID-19 vīrusa sākuma un pēc nemieriem, kuri sekoja Džordža Floida (George Floyd) nāvei, vajadzība pēc pārtikas mūsu baznīcas apkārtnē ir ļoti augusi. Mēs jūtamies aicināti palīdzēt. Mūsu mērķis ir ziedot \$1,200, lai sponsorētu vienu ģimeni vesela gada garumā sadarbībā ar **PLANT-GROW-SHARE**, kas sagādās svaigus produktus, interneta pieslēgumu, virtuālās klases un atbalstu ar mentoru palīdzību. Šāda veida atbalsts mums ir īpaši nozīmīgs tāpēc, ka liels skaits no mūsu latviešu ģimenēm tika sponsorētas, kad tās ieradās šeit, Amerikā.

PLANT-GROW-SHARE ir programma, kas saistīta ar **CANDO** (Central Area Neighborhood Development Organization), kas kalpo ģimenēm ar zemiem ienākumiem un gādā par tumšādaiņiem cilvēkiem.

Lūdzam ziedot elektroniski ar PayPal caur mndraudze.org mājas lapu vai sūtot ziedojumu draudzei ar piezīmi "**CANDO**":

OUR CONGREGATION'S SOCIAL & RACIAL JUSTICE COMMITTEE INVITES YOU TO HELP SPONSOR A LOCAL FAMILY

Since COVID-19 and the looting following George Floyd's murder, food insecurity in our neighborhood has increased greatly. We feel called to help. Our goal of \$1,200 given to **PLANT-GROW-SHARE** will sponsor one local family in financial crisis for a year with weekly "We Care Boxes" of fresh produce along with internet access, technology support, online classes, and mentorship. We think this sponsorship opportunity is especially meaningful, since many of our Latvian families were sponsored upon arrival in the United States.

PLANT-GROW-SHARE is a food justice program of **CANDO** (Central Area Neighborhood Development Organization) that serves low-income families and creates safe spaces for Black, Indigenous, and People of Color (BI-POC).

Tax-deductible donations can be made and sent to the church (with the memo "**CANDO**") through PayPal, our website, our Facebook page, or check mailed to:
